## AHJA SMOKER

1

## Vertical grill

The stylishly designed Ahja Smoker vertical grill is a durable and high-quality choice for every grill enthusiast. Made from 3 mm thick metal, its compact size makes it easily mountable even in smaller yards or terraces, offering ample space for preparing meat conveniently. The vertical setting allows to make juicy and evenly cooked shashlik – it's a perfect choice for those who wish to enjoy something special in both taste and looks. The Ahja Smoker vertical grill is stylish and compact, and crafted to offer amazing grilling experiences.
